Sarah [REDACTED] 12:38 PM

Hi Mason,

I hope this email finds you healthy and safe. I'm a booker for *Yaleof Finance LIVE*, the #1 digital financial news program in the U.S. providing viewers with 8-hours of live, daily market coverage.

Our team read about your new MetaBirkins NFT Series and really love the collection. I'm reaching out to see if you'd be interested in joining us for a live, on-camera interview to tell us more about it. We regularly discuss NFT's on our program and think this could make for a great conversation.

We have availability during our 2-3pm ET hour tomorrow (12/3). Would you be available during that time frame? For awareness, we are still conducting interviews remotely and can connect with guests via Skype, Zoom or Google Meet.

Please let me know if this is something we could coordinate. I'm happy to answer any additional questions you might have.

Best,

Sarah
